**Become a Summer  
Camp Sponsor**

A theater program for children. Our goal is to help children explore the infinite boundaries of their imagination by having them participate in one of our children's several productions. A blend of instructional and performance opportunities, our summer theater programs will help develop skills that will last a lifetime.

Sessions are being held on the Owen J. Roberts School District campus. We welcome students from surrounding school districts to enroll.

Our seasoned professionals help youth develop a sense of confidence, learn about the theater and help them have one of the most memorable summers of their lives.

**See your name up in lights and let everyone know you support the arts!**

Your sponsorship allows us to serve many kids in summer programming that engages their imagination and teaches them many useful life skills. Your business will be recognized throughout the 9 weeks of summer programming. Sponsorship ads will be in programs that are given out at the 6 evening Theatre Camp shows and will reach 100's of audience members.

Your sponsorship of this exciting summer stage program within the summer enrichment program will assist us in providing theatrical instruction to many children in the Owen J.
